**Auction Sales This Day.**

Wm. McKay will sell at 10 o'clock, at his store, furniture, stores, &c.

Miles Drake will sell at 10 o'clock, at his store, boots, shoes and hats.

Now is the time to think about advertising holiday goods, and reflection should be followed by judicious action.

**PERSONAL.**—The Hon. James Chesnut, the Hon. A. P. Aldrich and Captain W. J. McKerrall are in the city.

**THE CONGRESSIONAL GLOBE.**—We beg to thank Senator Robertson for his courtesy in sending to The News a copy of the daily Congressional Globe for the second session of the Forty-second Congress.

**FRUIT FOR CHRISTMAS.**—There arrived yesterday, from Baracoa, the schooner Mary E. Mangum, consigned to Mr. F. Kresel, Jr., with a choice cargo of oranges, bananas and coconuts.

**SAFETY OF THE CREW OF THE PILOTBOAT MYSTERY.**—The bark Acacia, having arrived off this port, we learn that Captain Watson and the crew of the skiff of the pilotboat Mystery, which swamped alongside of the bark, got safely on board that vessel, which will be good news to their friends.

**SHORT DESERTION.**—Wm. Woodhouse, Chas. Roberts and James Hall, three seamen, were arrested yesterday morning by the detective, charged with deserting from the bark Zuleika. The captain of the vessel at once identified the delinquents, who had disappeared on the day preceding, and having been turned over to him, they were at once sent back on board of the bark.

**THE CITY TAXES.**—A resolution will be offered in Council meeting, on Tuesday next, to extend the time for payment of city tax for 1917 to the 15th instant, without the penalty, after which time executions will be sent to the sheriff without further delay, and no concession will be made after that to any one. Should this resolution pass, those who have paid the penalty will have that amount refunded.

**MR. W. L. BELL.**—This gentleman, from Macos, Ga., was yesterday elected a director of the South Carolina Railway. Mr. Bell is a native of this city, which he left as a clerk just before the breaking out of the war. He has since been residing in Macos, and by his energy and business talents has risen to places of honor and trust in his adopted home. He is the youngest director ever chosen by the South Carolina Railway, and we hail the fact as an omen of coming prosperity to the road.

**OUR PRICES CURRENT.**—We especially invite the attention of our merchants to The News Prices current, issued this morning. Made up with the utmost care, and handsomely printed with entirely new type, it forms, with the business card of the house forwarding it, the most attractive and welcome weekly commercial circular that can be used. Price, for ten copies or more, with business cards, two and a half cents per copy; single copies five cents.

**MASONIC ELECTION.**—At the anniversary communication of Landmark Lodge, No. 76, A. F. M., held on the 6th instant, the following brethren were elected to serve for the next Masonic year: Edwin J. White, W. M.; Alexander W. Marshall, Jr., S. W.; Alonzo J. White, Jr., J. W.; Edward T. Hughes, treasurer; T. Pinkney Lowndes, secretary; George D. Bryan, S. D.; T. Malbone Waring, J. D.; R. Ewing Brown, Arthur M. Williams, stewards; J. J. Beasley, elder; Thos. P. O'Neal, organist.

**THE NEW HARDWARE STAND.**—The spacious store at the southwest corner of Meeting and Hazel streets has lately been taken by Messrs. C. Kerrison, Jr., & Co., who have opened there one of the finest stores of hardware and cutlery to be found in the city. Besides a handsome assortment of knives, scissors, &c., from the most celebrated makers, the firm have on hand a lot of guns and a full stock of agricultural implements of approved pattern, to which they invite the attention of planters and the public, and which they guarantee to be all that are represented and to be sold at the lowest prices. The firm have secured a first-class stand, and customers will find it to their interest to give them a call.

**CLUBS AND STARS.**—Luke Wright, a colored youth, arrested for stealing cotton on Brown's wharf, was sentenced to five days' solitary confinement in the House of Correction.

Peter Singleton, lodged for being drunk and raising a disturbance on the premises of Mr. Seymour, on Franklin street, was referred to a trial justice.

Patrick Shanahan, arrested for being drunk and shooting his wife, on Mr. Brickwell's premises, in St. James street, was turned over to a trial justice for prosecution.

An inebriate, unable to take care of himself on Vendue Range, was locked up, and paid his fine of one dollar next morning without grumbling.

**THE HUSBANDLICH BAND** gave an entertainment last evening, at their hall in King street near Hornebeck's alley, which was largely attended by the members, and proved a very pleasant affair. The programme was varied, and began with an overture written for the occasion by Mr. Hoffman, the late director of the band. The members of the band next sang three beautiful airs, after which came a laughable farce, in one act, entitled, "Seventeen hundred and thirty-three Thalers, twenty-two and a half Shillings." The piece was performed with much life and humor, and evoked the frequent plaudits of the audience. The ever-welcome dance concluded the entertainment, which was prolonged until a late hour.

**THE ATLANTIC PHOSPHATE COMPANY.**—This enterprising company are now offering from their works and at the office of Messrs. Pelzer, Rodgers & Co., agents, Brown's & Co.'s wharf, their admirable fertilizing preparations at reasonable figures. These fertilizers are attracting general attention from the admirable effects they have produced on the crop, and the testimony is general, and from all sources where they have been used, that they are fully up to the highest standard of land stimulants. In this day, when the culture of cotton is necessary to success, and when the great staple of the South promises to be at paying rates, the judicious use of the Atlantic Phosphate fertilizers by planters will be found a valuable aid in securing profitable results, and giving a rich return on the investment. The ingredients of which these manures are composed may be relied on as affording planters and farmers a preparation of the best description, and the action of which on the land will be favorable to its enduring fertility and improvement.

**THE END OF THE OAKLEY MURDER.**—The trial of Samuel White, Ran Balden, George Parker and Buddy Ravenel, for the murder at Oakley Station, continued all day yesterday in the Court of General Sessions. The evidence for the prosecution closed about one o'clock, and that of the defence was begun. The principal incident of interest was the statement of the prisoners, White and Balden, as they were placed upon the stand. They both denied all knowledge of the murder. White accounted for the money he had in his possession by stating that it was the result of his turpentine crops in North Carolina; and Balden, notwithstanding the written confession he made before the trial justice, alleged that he was induced to make the confession by the whole of it was a lie which he had fabricated. In the afternoon the case went to the jury, and at nine o'clock in the evening they returned a verdict of guilty as to Sam White and Ran Balden, and not guilty as to Geo. Parker and Buddy Ravenel.

# TRIBUTE OF RESPECT.

At a regular meeting of the Pioneer Steam Fire Engine Company of Axmen, convened December 6, 1871, the following tribute of respect to the memory of the late Henry Clark was unanimously adopted:

Disease and death have been busy in the midst of our community. The survivors of many a happy circle, who have been called upon to taste the bitter cup of affliction, mourn the loved and the lost. There is scarcely an association among us whose members have not wept around the bier of some friend, whose late life, energy and friendship were warm among them, or who have not been summoned to pay the last tribute of respect to others the remembrance of whose virtues was among them a most excellent heritage.

We, as a company, have felt the touch of the destroying angel.

It is true, and we are grateful and thankful for it, that we have not been stricken with that pain which is incident to the loss of those who are severed from a near and intimate association with us—whose friendly voices were familiar tunes, and whose helping hands were ever ready friends.

It is true that we mourn one whose declining years have long since prevented an active participation in the duties of a freeman, and whose death, in the natural order of events, could not be far distant; but as we must do honor to the memory of an old member of this company, one who was personally known to but few of our members, it is true, too, that it is not without pain that we feel that another link is broken which bound us to an honorable past.

Mr. Henry Clark, the subject of this tribute, was quiet and unobtrusive in his life. He followed the tenor of his way, capable in business, of well recognized worth as a citizen, modestly discharging the duties of life without turmoil or strife. We know that his services to this company were important, and that their value was duly appreciated is shown in the fact that he was elevated to the position of its president.

He was a sterling man—one whose loss must leave a real void in the community. An honest man is gone. We take pride in the remembrance of his former connection with us; we cherish his example; we mourn his loss. Therefore, be it Resolved, That in the death of Henry Clark we recognize and deplore the loss of a worthy citizen, an estimable man, and an honored ex-president of this corps.

Resolved, That a blank page of the Minute Book be dedicated to his memory, and the usual badge of mourning be worn by the members.

Resolved, That this preamble and resolutions be published in THE CHARLOTTE NEWS.

Extract from the Minutes.
